The Founders Inn and Spa Is A 2015 Fido's Favorite Award Winner BringFido.com Recognizes Hotel as a Top Rated Pet Friendly Property in the US

Virginia Beach, VA; May 19, 2015 – The [Founders Inn and Spa](#) is pleased to announce that they have been recognized by the pet travel experts at BringFido.com as a 2015 Fido's Favorite Award winner. This annual award recognizes hotels, inns and bed & breakfasts that achieve superior pet-friendliness ratings from BringFido's 12 million annual visitors. Fewer than 10 % of all pet friendly accommodations can claim this distinction, so The Founders Inn and Spa is the perfect place to stay if you are planning on enjoying a vacation with your furry friend in Virginia Beach, Virginia.

With only a few other pet friendly hotel options in Virginia Beach, the Founders Inn and Spa is a great choice if you plan to bring your pet with you while you travel. There is no weight limit for your pet and there is a large fenced in dog park that is 145 x 225 feet. Apart from the customary dog waste stations, there are chairs and tables for pet owners to sit and watch their pets run freely. The [Purrfect Pet Package](#) is also available, which includes a welcome letter with pet-friendly suggestions for your visit, a food bowl and mat, toys and a bag of treats.

"We are honored to receive this honor from BringFido," said Ellen, Ruane, General Manager at Founders Inn and Spa. "We understand that many travelers need to have a great place to stay with their pets while they are on vacation and we are proud that the Founders Inn and Spa offers all the amenities that your pet needs."

As the world's leading pet friendly travel website and app, BringFido is committed to helping pet owners find accommodations that truly welcome and cater to the needs of man's best friend.
