

Cupcake Challenge

Creativity is the key to success as teams work together to build confection masterpieces in our Cake or Cupcake Challenge. Your group will be divided into teams to build a multi-layer cake that reflects the theme of your event. This challenge is best for groups of 12 or more people and is excellent for very large groups of 100 or more. We recommend two or more teams of 6-10 people each.

When the team building activity is over, each guest leaves with new cupcake skills and memories of a great time in the company of old and new friends.
